Swimline is provided for anyone involved in swimming including children and young people who believe the welfare of a child is at risk. This could be neglect or abuse, bullying or fear of someone, or anything that is worrying you and you don't know who to discuss this with.

Swimline calls are free and do not appear on itemised bills from landlines. The line is run by asa volunteers who work in child welfare as a profession. If there is an issue which causes concern, the asa will act to protect the child.
