“Worthing shows promise at county relay gala”

=====

On Sunday the 4th September 2011 Worthing Swimming Club competed in the Sussex county relay gala at the Prince Regent Swimming Pool in Brighton. In this gala swimmers from Worthing swam against other teams from the county in various events.

The girls 9 years team of Lucy Hirst, Gigi Casey, Isobel Gee and Lily McCardle came third in both their heat and final of the 100m Medley event to earn them a bronze medal. This is the first time they have done a gala at this standard and have done very well.

The boys 9-10 years team of Ethan Burgess, Lucas Bubb, Brandon Rich and Oscar Silk came fifth in their Medley heat but in the final they bettered that position to come in third to earn them a bronze medal. The boys added to that success with that bronze medal to come fourth in their Freestyle race to round off a very good day for them.

The boys 11-12 years old team of Nicholas Savill, Luke Moore, Ben Curtis, Elliot Moore and Archy Burnell trying to emulate the success of the younger boys came in third in their Freestyle and did one better and came second in their Medley.

The boys 13-14 years old A team of Joe Hazledine, Charles Hepworth, Ben Goddard and Oscar McCardle came in fourth for their Medley race and also came in fifth in their Freestyle race. The boys 13-14 years old B team of Jacob Nash, Ellis Bubb, Joseph Cowtan and Joshua Urben did very well in their races to come in thirtieth for their Medley race and twelfth for their Freestyle race.

The girls 13-14 years old girls team also did well. The team of Roise Scordoulis, Hannah Urben, Jodie Curtis and Eleanor Hirst came fourteenth and fifteenth in the Medley and Freestyle race respectively. The boys and girls 13-14 did very well in a very tough age group.
