

Worthing Swimming Club Press Release 17/09/2011:

“Worthing gains second promotion”

=====

On Saturday the 17th of September, Worthing travelled again to Basingstoke to compete in the final round of the Rother League competition. Teams from Sutton and Cheam, Wey Valley, Cranleigh, Seagulls of Christchurch, Fareham Nomads and Worthing were competing for the top two places to secure promotion.

Worthing knew that we had a lot of work to do to be promoted. One of our swimmers Michelle Hepworth had a tough challenge in the 100m Fly. Michelle went full throttle to gain the team a fourth place with a new Club record.

Outstanding swims from all of the team kept us in the lead close to the end when we secured second place by a clear margin. This secured us our second promotion of the year and now Worthing are aiming to gain a third promotion in the National Arena League at the end of the year.
