

Worthing Swimming Club Press Release 21/01/2012:

“Worthing faces tough competition in first team gala of 2012”

=====

Worthing started it's Sussex league campaign against local rivals Littlehampton and last year's Champions Brighton. Having been promoted last year, we knew in advance that we had a tough challenge ahead of us and this was proved on the night.

Worthing competed to the best of their ability and after overcoming sickness and late changes, Worthing secured 1st place positions in 2 races swum by Michelle Hepworth and Nicholas Savill and 2nd place 7 times. This reflected the level of the competition against 2 of the best teams in Sussex.

At the end of the gala, Worthing came third with 213 points with Littlehampton and Brighton coming second and first with 362 and 433 points respectively.

Worthing's focus is now on the counties in Febuary and March with seventeen swimmers racing in one hundred and eleven events with one swimmer, Michelle Hepworth, qualifying for all seventeen events.
