Chris Luesley will be handing out information to you on an individual basis for you to be able to enter the events that you have qualified in.

There will also be an entry into the junior boys relay and relays for 9 year old girls and 9 year olds. Please try to be available if selected.

If you are not on the list, but believe you have achieved a qualifying time, please see Chris Luesley, Swimming Secretary as soon as possible.

If you haven't achieved a time this year, keep up the hard work in training, enter Open Meets and the Club Championships and keep trying for next year.
