

Age Group Presentation & BBQ - July 2013

On Saturday 20th July 2013, Worthing held their annual age group presentation evening at Thomas Beecham Club, Worthing. Although, quieter than in recent years, a number of swimmers were in attendance to collect their awards.

Having nice weather allowed swimmers to play in the park or on the field before and after the presentation. Award winners collected their medals and rosettes from their performances at the Age Group Championships held earlier in the year at Lancing College.

Trophies were awarded to the 9 year olds with the most aggregate points from their races. The Girls winner was Katie Davison and the Boys winner was Thomas Day.

In addition, 2 trophies are awarded by the Head Coach on a 6 monthly basis as a reflection of a swimmers efforts and improvement during that time.

Boys : Thomas Day

Thomas swam in the Counties in 2013 even though his birthday was during the Championships and he was able to qualify for a final, before his 9th birthday. To qualify for the Championships, swimmers had to be 9 years or above by the end of the Championships. Well done Thomas.

Girls : Jodie Curtis

Jodie was close to giving up swimming during the Christmas period. Since this time, Jodie has worked hard in training including attending our weekly Thursday early morning session at 6.30am. As a reflection of her efforts, amongst other good performances, Jodie achieved personal bests in 100 metres breaststroke in each of the Sussex League Galas that she swam it in and is now only just outside the County Qualifying time.

Jodie Curtis & Dawn Osborne

Head Coach, Chris Luesley & Thomas Day

Many thanks to everyone who was involved with helping to make the evening successful, with the awarding of medals & rosettes as well as the BBQ afterwards. It is the many volunteers within our Club that make it what it is.

Chris Luesley, Head Coach, Worthing Swimming Club
