

SWIMMING TEACHERS AND COACHES NEEDED

Come and Join our fab team of volunteers

Don't worry if you don't have any teaching or coaching experience, or haven't got any qualifications, we can give you all the advice you need and support for gaining teaching and coaching knowledge that can be used within the Club and for employment outside the Club.

It doesn't matter how much or little that you are able to offer, all support is gratefully received.

Courses available (Enrol now) – See Chris Luesley for details.
