

Young Aquatic Organiser Award

In February 2009, Sarah Blacker, Dominic Cranford, Alexander Cranford, Natalie Smith, Rachel Piper, Kevin Chan, Matthew Laker and Robert Osborne signed up to participate in the Young Aquatic Organiser Award. This is a course for 14 – 18 year olds which introduces participants to the background of the asa and how swimming clubs are run, as well as how to run an aquatic event.

On 14th March, the young aquatic organisers held their event at the Aquarena. Many thanks go to those who attended the event and a special mention to all helpers on the evening for the fun relays, land training and fun floats session.

In addition to the experience gained from organising the event, the 8 involved have also been volunteering with the club in the last few weeks, coaching and teaching either swimming or water polo or helping at Club Galas. Those involved will now be able to use this experience in the future within the Club, with some of them going on to take teaching and coaching aquatic qualifications.

Whatever age you are, if you would like to get involved with helping the Club with any aspect of activities, please speak to Chris Luesley or Dawn Osborne.

Well done to all of those involved in this course.

Chris Luesley, Course Organiser
